Long Beach Police Officers Memorial Widows Emergency and Scholarship Trust Fund

"This trust is created to devote and apply the trust funds directly and exclusively to the charitable or educational needs of Long Beach Police Officers, their dependents, families, and survivors, and the property, assets, profits and net income of this trust are irrevocably dedicated to such purposes."

The Widows and Orphans Scholarship Trust fund provides financial assistance to Long Beach Police Officers and/or their families in times of need. Past assistance from the Trust includes: Officers shot or otherwise injured in the line of duty; scholarships for children of Officers who died from job related assaults or illnesses; and financial burdens due to major illnesses.

This golf tournament is the largest annual fund raiser for this Trust. The purpose is to keep the Trust healthy for those unfortunate situations where officers are injured or even killed in the line of duty. We do not want the family who is dealing with a tragedy to also have to worry about financial issues. Your donation will assist in allowing us to continue to take care of the officers and/or their families when tragedy occurs.
